

FLAX POND COVID GUIDELINES FOR SUMMER 2024

MASKS:

- If a camper presents with Symptoms, they will be required to put on a mask while a parent/guardian is notified to come pick them up and/or test them.
- If a camper is coming out of their 5 days of isolation for testing positive and is asymptomatic, they can return to camp but must wear a mask for the following 5 days unless a negative test is provided

EXPOSURE:

- Children may return to camp after they have been exposed to Covid as long as they are Asymptomatic. If a child starts to present with symptoms, they will be sent home immediately.

SYMPTOMS AT CAMP:

- If a child presents with symptoms at camp, they will start isolation in the Health & Safety Office. Parents/Guardians will be notified that their child has symptoms and that the child must be picked up from camp.
 - ◊ The child will be able to remain/return to camp with a negative Covid Test
 - We will have Covid tests at camp that parents may choose to test their child on site to be able to remain at camp, should they so choose. **(NO CAMP STAFF WILL ADMINISTER A TEST ON A CHILD)**
